Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
- 4. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

5. Basis for Qualified Conclusion

As stated in Notes, company has not provided for interest expense of Rs. 1,610.51 Lakhs (Estimated) for the Nine Months ended 31st December 2022 related to borrowings of Rs. 23,580.57 Lakhs. Statements of accounts were not available to confirm the balances/interest chargeable thereon.

Had the interest been so provided, the finance cost would have been higher and net loss would have been higher by Rs.1610.51 Lakhs (Estimated) for the Nine months ended 31st December 2022.

6. Qualified Conclusion

Based on our review conducted as stated above, with the exception of matters described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results have not been prepared in all material respects in accordance with the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act,2013 read with relevant rules issued thereunder and other recognized accounting practices and policies, and has not disclosed the information required to be disclosed in terms of 'the Regulation', read with relevant circulars including the manner in which it is to be disclosed, or that it contains any material misstatement except for the matters specified here under.

7. Emphasis of Matter

- a) Attention is invited to Note No. 3 of the financial results, that land under Property Plant and Equipment includes land valued at Rs. 330.69 Lakhs bought by the company in the name of third parties. Transfer of the same in the company's name is yet to be initiated.
- b) Attention is invited to the fact that the Cost of Goods Sold of the company has increased to 94.14% in comparison to sales in the quarter ending on 31st December, 2022 as compared to Cost of goods sold ratio of 83.78% and 85.57% for the quarter ending on 30th June and 30th September, 2022 respectively. The management has not presented us with reasonable justification of increase in Cost of goods sold of the company. In the absence of such information we are unable to comment on the effect of this increase in cost on the quarterly results and annual financial statement of the company

for financial year 2022-23.

Our conclusion is not modified in respect of these matters.

8. Other Matter
