**OPERATION AND FUTURE OUTLOOK**

The Financial Year 2020-21 began with nationwide lockdown imposed by the Government of India, in order to curb the spread of the COVID-19 pandemic, which had put a spanner in the works. As a result, country's overall economy witnessed the decline in the first quarter of FY 2020-21. Most steel companies had stopped their operations (barring essential operations like blast furnaces, etc.) during the lockdown. However, the upliftment of lockdowns in a phased manner along with various measures taken by the Government of India helped in regaining the growth momentum in the country. Steel demand is expected to see a surge in 2021 owing to recovering economy, sprouting demand and improving prices. This surge will be influenced by the Government's intention to spend larger capital on infrastructure projects in the coming year which will have a multiplier impact on the demand of steel. Iron ore prices are also continuously increasing owing to international price rise and domestic supply constraints.

The management of the Company has entered into an Operation and Management Agreement with M/s R.K. Sponge Iron Limited and confident that the business operations will pick up progressively.

The Company is taking all necessary measures in terms of mitigating the impact of the challenges being faced in the business. It is focused on controlling the fixed costs, maintaining liquidity and closely monitoring the supply chain to ensure that the manufacturing facilities operate smoothly.

**FINANCIAL SUMMARY**

**NOMINATION AND REMUNERATION POLICY  
(FOR THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES)**

**1. Regulatory Requirement**

Pursuant Section 178 and other applicable provisions of Companies Act, 2013, (Act) and rules made thereunder and SEBI (LODR) Regulations 2015, the Nomination and Remuneration Committee ("Committee") shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.

The Policy has been framed by the Nomination and Remuneration Committee of the Board of Directors and based on its recommendation, approved by the Board of Directors of the Company. The policy may be reviewed by the Nomination and Remuneration Committee of the Board of Directors.

**2. Purpose**

Remuneration Policy ("Policy") provides a framework for remuneration to be paid to the members of the Board of Directors ("Board") and Key Managerial Personnel ("KMP") of the Company (collectively referred to as "Executives"). The expression KMP shall have the same meaning as defined under the provisions of Act. The Policy also provides a framework for identification of persons who are qualified to become directors.

**3. Objectives**

- 3.1 The remuneration policy seeks to enable the company to provide a well-balanced and performance-related compensation package, taking into account shareholder interests, industry practices and relevant Indian corporate regulations.
- 3.2 The remuneration policy will ensure that the interests of Executives are aligned with the business strategy and risk tolerance, objectives, values and long-term interests of the company and will be consistent with the "pay-for-performance" principle.
- 3.3 The remuneration policy will ensure that remuneration to Executives involves a balance between fixed pay and incentive (by way of increment/bonus/ promotion/any other form) reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

**4. Principles of Remuneration and Criteria for determining Remuneration**

- 4.1 The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors and KMP of the quality required to run the company successfully;
- 4.2 Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- 4.3 Remuneration to directors, key managerial personnel and senior management involves a balance between short and long term performance objectives appropriate to the working of the company and its goals

**The criteria for determining the remuneration shall be broadly guided by:**

- 4.4 Skills,
- 4.5 Requisite qualification, commensurate with the Job profile
- 4.6 characteristics and
- 4.7 experience in business, government, academics, technology, human resources, social responsibilities, finance, law etc. and in such other areas as may be considered relevant or desirable to conduct the Company's business in a holistic manner and as may be decided by Committee.
- 4.8 Director should possess high level of personal and professional ethics, integrity and values. They should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular constituency.
- 4.9 Directors must be willing to devote time and energy in carrying out their duties and responsibilities effectively. They must have the aptitude to critically evaluate management working.
- 4.10 In case of other employees other than director, KMP, the criteria will be decided by the HR department.

**5. Remuneration to Executives**

- 5.1 Executives may be paid remuneration by way of fixed salary and allowances as per Company rules subject to the provisions of Companies Act, 2013

- 5.2 **Personal benefits** Executives may have access to benefits/perquisites as per the rules and regulations of the Company. Executives may also be entitled to retirement benefits such as provident fund, gratuity and/or such other benefits as per the rules of the Company.
- 5.3 The Remuneration of other employees other than Executives will be decided by the HR department of the Company in accordance with the skill, qualification and etc.
- 6. Remuneration to non-executive Directors**
- 6.1 Non - Executive Directors may be paid remuneration by way of sitting fee and reimbursement of expenses for participation in the Board and other meetings and commission and/or such other payments as may be permitted by the law applicable to such payments. Such payments shall be subject to the provisions of Companies Act, 2013.
- 7. Amendments to this Policy**
- The Nomination and Remuneration Committee is entitled to amend this policy including any amendment or discontinuation of one or more incentive programs introduced in accordance with this Policy.

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

**NOVA IRON & STEEL LIMITED**

**Report on the Audit of the Financial Statements**

### Qualified Opinion

We have audited the accompanying financial statements of Nova Iron & Steel Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

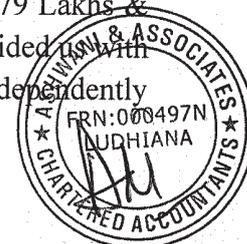

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Qualified Opinion

- (a) The company has not provided for interest expense of Rs. 2,882.53 Lakhs (Estimated) for the year ended 31<sup>st</sup> March 2021 related to borrowings of Rs. 31,148.02 Lakhs. Statements of accounts were not available to confirm the balances/interest chargeable thereon.

*Had the interest been so provided, the finance cost and net loss would have been higher by Rs. 2,882.53 Lakhs for the year ended 31<sup>st</sup> March 2021 and Short-term Borrowings would have been higher by Rs. 8,339.09 Lakhs as on 31<sup>st</sup> March 2021.*

- (b) With respect to the balance outstanding of M/s. Bhushan Power & Steel Limited, which is reflected as Short-term Borrowings amounting to Rs. 15,158.79 Lakhs & Trade Payables amounting to Rs. 6,822.01 Lakhs, the company has provided with the demand notice from the lender. However, we have not been able to independently

verify the balance of the party as the said demand notice confirms only a portion of the balance and the company has also represented that the amount is in dispute.

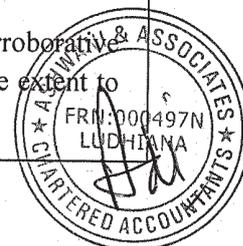

*In the absence of any alternative corroborative evidence, we are unable to comment on the extent to which such balances are payable.*

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

### Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

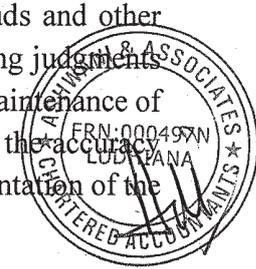

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

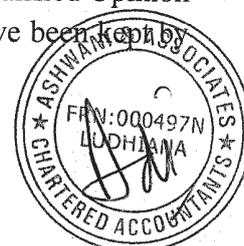

The procedures that we conducted and were required to be conducted form part of this report as Appendix 1.

### **Other Matter**

The Company does not have a Chief Financial Officer (CFO) as required under section 203 of the Companies Act, 2013. Our opinion is not modified in respect of this matter.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Companies (Auditor's Report) Order, 2016 ('the Order') issued by Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
  - a) We have sought and except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph in our opinion the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
- d) Except for the possible effects of the matter described in the Basis for Qualified Opinion, the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:  
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

## **ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Nova Iron & Steel Limited of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Nova Iron & Steel Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

## Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

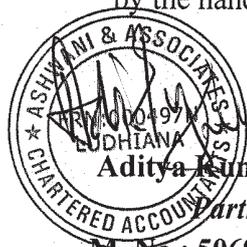

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Appendix 1

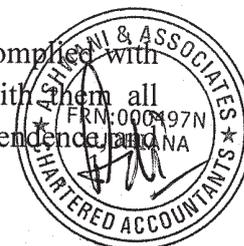

As part of our audit procedures in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial statements, including the disclosures, and whether the Financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard.

## NOTES FORMING PARTS OF IND AS FINANCIAL STATEMENTS

### Note-1. General Information :

Nova Iron & steels Limited ("the company") is engaged in the manufacturing / trading of Iron & Steel, Metals, Securities & Natural Resources business. The company address of principal place of business is village-Dagori Tehsil -Belha, Bilaspur Chhatisgarh, 495224 .

The Financial Statements of the company for the year ended 31<sup>st</sup> March 2021 were approved for issue in accordance with the resolution of the board of directors on 02-12-2021

### Note-2. Significant Accounting Policies

#### a) Statement of Compliance

The Ind AS Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the section 133 of the companies Act, 2013 ("the Act") read with the companies (Indian Accounting Standards) Rules,2015 and other relevant provisions of the Act.

#### b) Basis of preparation and presentation

The Ind AS financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. The principal accounting policies are set out below:-

All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current non-current classification of assets and liabilities.

#### c) Use of estimates and judgments

The preparation of Ind AS financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods affected.

#### d) Revenue Recognition

##### Sale of Products

Revenue is recognized for sale of products when the Company transfer control over such products to the customer which is generally on dispatch from the factory.

### **Sale of Services**

Revenue from services are recognized as related services are performed.

### **Dividend and interest income**

Dividend income from investments is recognized when the shareholders' right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

For all Financial instruments measured either at amortized or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of the financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instruments but does not consider the expected credit losses. Interest income is included in other income in the Statement of Profit and Loss. Interest income in respect of financial instruments measured at fair value through profit or loss is included in other income.

### **e) Leases**

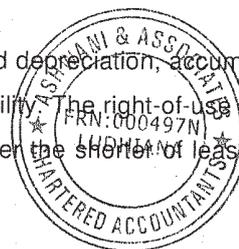

Ind AS 116 "Leases" replaces Ind AS 17 "Leases" with effect from April 1, 2019.

The new Standard has been applied using the modified retrospective approach. Prior periods have not been restated. However, no material impact of its application has been identified on the Financial Statements.

On transition, for leases previously accounted for as operating leases with a remaining lease term of less than 12 months and for leases of low-value assets the Company has applied the optional exemptions to not recognise right-of-use assets but to account for the lease expense on a straight-line basis over the remaining lease term.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date.

The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

Lease liability is measured at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications. The Company recognises the amount of the remeasurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the remeasurement in statement of profit and loss.

**f) Foreign Currencies**

**Functional and presentation currency**

Items included in the Ind AS financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

**Transactions and balances**

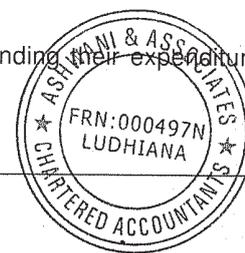

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit or loss.

Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to the translation difference (translation differences on items whose gain or loss is recognised in other comprehensive income or the statement of profit and loss is also recognised in other comprehensive income or the statement of profit and loss respectively).

**g) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets are deducted from the borrowing costs eligible for capitalization

All other borrowing costs are recognised in statement of profit or loss in the period in which they are incurred.

Borrowing costs consist of interest, which is computed as per effective interest method, and other costs that an entity incurs in connection with the borrowing of funds.

**h) Employee benefits**

**Short-term obligations**

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the employees render the related services are recognised in the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

**Other long-term employee benefit obligations**

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

**Post-employment obligations**

**Defined benefit plans**

The Company has defined benefit plans namely gratuity for employees. The liability or asset recognised in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in profit or loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.

They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

**Defined contribution plans**

The Company has defined contribution plans for post-employment benefit namely ~~employee Provident~~ Fund Scheme administered through Provident Fund Commissioner and the Company's contribution

thereto is charged to profit or loss every year. The Company has no further payment obligations once the contributions have been paid. The Company's contribution to State Plans namely Employees' State Insurance Fund and Employees' Pension Scheme are charged to the Statement of Profit and Loss every year.

#### **Termination benefits**

A liability for the termination benefit is recognised when the Company can no longer withdraw the offer of the termination benefit.

### **i) Taxation**

Income tax expense represents the sum of the Current Tax and Deferred Tax.

#### **Current tax**

Current Tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### **Deferred tax**

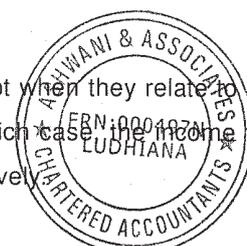

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and Liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case the income taxes are also recognised in other comprehensive income or directly in equity respectively.

**j) Property, Plant and Equipment (PPE)**

Property, Plant and Equipment (PPE) are stated at cost of acquisition or construction, net of accumulated depreciation and accumulated impairment losses, if any. The cost of tangible asset includes purchase cost (net of rebates and discounts) including any import duties and non-refundable taxes, and any directly attributable costs on making the asset ready for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. The other repairs and maintenance of revenue nature are charged to Statement of Profit & Loss during the reporting period in which they have incurred.

**Depreciation methods, estimated useful lives and residual value**

Depreciation on Steel Melting Shop, Power Plant, Boiler, Water treatment Plant, buildings of these plants, Weighing Bridge and staff colony is provided on Straight Line Basis. Depreciation on all other Property Plant and Equipment is provided using WDV Method.

Further, the Depreciation is calculated on all Property Plant and Equipment using the useful Lives prescribed in Schedule II of Companies Act, 2013 except the following, which are estimated on the basis of Technical Evaluation:

S.no.	Name of Asset	Life (Years)	Shift
1.	Steel Melting Shop	38	Triple Shift
2.	Power Plant	38	Triple Shift
3.	Boiler	38	Triple Shift
4.	Water treatment Plant	38	Triple Shift
5.	Weighing Bridge	38	Triple Shift

The assets' residual values estimated useful lives and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

**k) Intangible Assets**

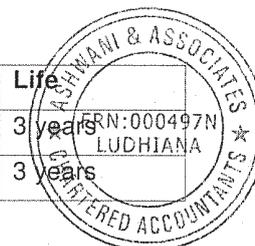

Intangible assets acquired separately are measured at cost on initial recognition and are subsequently stated net of accumulated amortization and accumulated impairment losses, if any.

The cost of an intangible asset includes purchase cost (net of rebates and discounts), including any import duties and non-refundable taxes, and any directly attributable costs on making the asset ready for its intended use.

**Amortization methods and useful lives**

The Cost of Intangible assets are amortized on a straight-line basis over their estimated useful life which is as follows. Residual Value is considered as Nil in the below cases:

Nature of Assets	Life
Technical know how	3 years
Computer software	3 years

The amortization period and method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

#### **Impairment of Tangible and Intangible assets**

At the end of each reporting period, the Company reviews the carrying amount of its tangible and intangible assets to determine whether there is any indication that those assets have suffered any impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

#### **l) Capital Work in Progress**

Administrative and general overhead expenses attributable to construction of a capital asset incurred till they are ready for their intended use are identified and allocated on a systematic basis to the cost of related assets.

#### **m) Inventories**

Inventories are valued at the lower of cost or net realizable value, less any provisions for obsolescence. Cost is determined on the following basis:

**Raw Material** is recorded at cost on a first-in, first-out (FIFO) basis.

**Stores & spares** are recorded at cost on a weighted average cost formula.

**Finished goods and work-in-process** are valued at raw material cost + cost of conversion and attributable proportion of manufacturing overhead incurred in bringing inventories to its present location and condition.

**By products and scrap** are valued at net realizable value.

Machinery spares (other than those qualify to be capitalized as PPE and depreciated accordingly) are charged to profit and loss on consumption.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### **n) Provisions and contingencies**

**Provisions** : Provisions are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the

obligation and there is a reliable estimate of the amount of the obligation. Provisions are determined based on best management estimate required to settle the obligation at balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

**Contingent Liabilities:** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent asset being a possible asset that arises from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, is not recognized but disclosed in the financial statements.

**o) Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

**Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost using the effective interest method or fair value, depending on the classification of the financial assets

**Classification of financial assets**

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test: the objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test: the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test: the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- Cash flow characteristic test: the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

**p) Trade receivables**

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost less provision for impairment.

**q) Cash and cash equivalents**

In the cash flow statement, cash and cash equivalents includes cash in hand, cheques and balances with bank. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft is shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

**r) Impairment of Financial Assets**

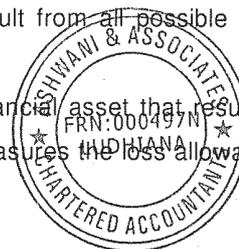

**The Company assesses impairment based on expected credit losses (ECL) model to the following:**

- Financial assets measured at amortised cost
- Financial assets measured at fair value through other comprehensive income

**Expected credit losses are measured through a loss allowance at an amount equal to:**

- The twelve month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within twelve months after the reporting date); or
- Full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

### **Derecognition of financial assets**

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients

### **Foreign exchange gains and losses**

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost or fair value through profit or loss the exchange differences are recognised in profit or loss except for those which are designated as hedge instrument in a hedging relationship. Further change in the carrying amount of investments in equity instruments at fair value through other comprehensive income relating to changes in foreign currency rates are recognised in other comprehensive income.

## **s) Financial liabilities and equity instruments**

### **Classification of debt or equity**

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

### **Financial liabilities**

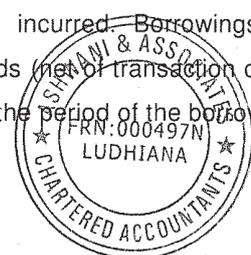

All financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through statement of profit & loss.

### **Trade and other payables**

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of financial year which are unpaid.

### **Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Statement of Profit and Loss over the period of the borrowings using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit & Loss.

#### **Foreign exchange gains or losses**

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in Statement of Profit and Loss.

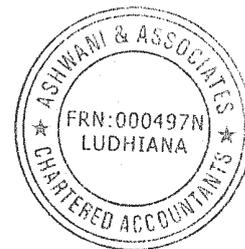

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the exchange rate at the end of the reporting period. For financial liabilities that are measured as at fair value through profit or loss, the foreign exchange component forms part of the fair value gains or losses and is recognised in Statement of Profit Loss.

#### **Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

#### **t) Dividends**

Final dividends on shares are recorded on the date of approval by the shareholders of the Company.

## Notes to Financial Statements

### Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in foreign currency). The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

### Foreign Exchange Exposure

Particulars	Year ended 31st March 2021		Year ended 31st March 2020	
	Foreign Currency	Amount In Rs.	Foreign Currency	Amount In Rs.
<b>Trade Receivable</b>

<b>Trade Payables</b>				
- In USD	Nil	Nil	Nil	Nil
<b>Net Exposure</b>				
- In USD	Nil	Nil	1465	110577

### Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company profit before tax and equity is due to changes in the fair value of monetary assets and liabilities. Foreign currency exposures recognised by the Company that have not been hedged by a derivative instrument or otherwise are as under

Currency / Currency Symbol	Year Ended March 2021		Gain / (loss) Impact on profit before tax and	
	Foreign Currency	Indian Rupee	1% Increase	1% Decrease
USD / \$	Nil	Nil	Nil	Nil
Currency / Currency Symbol	Year Ended March 2020		Gain / (loss) Impact on profit before tax and	
	Foreign Currency	Indian Rupee	1% Increase	1% Decrease
USD / \$	1465	110577	1100	-1097

### Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

### Trade receivables

Customer credit risk is being driven by Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data of credit losses. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in the notes. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

In view of subsequent realisation the management believes that the trade receivables on 31 March 2021 and 31 March 2020 are not subject to any further credit risk. Accordingly, no new credit losses are being accounted for.

### Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company as per the policy. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counter party's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31st March 2021 is the carrying amounts. The Company's maximum exposure relating to financial is noted in liquidity table below.

### NOTE : 44 Note on Covid-19 :

The outbreak of the COVID-19 pandemic led to an unprecedented health crisis and disrupted economic activities and trade globally. During FY2020-21, the Government of India had imposed a stringent nation-wide lockdown which severely impacted manufacturing activities. The Government of India and the respective State Governments had clarified that the Steel Sector fell within the ambit of Essential Services and Process Industries, where, continuous operations of the plant facilities were important, and therefore, exempt from the lockdown measures and could continue to operate albeit subject to the various directions issued by the central and state governments from time to time. Keeping in mind the above, the practical constraints of continuing operations and dispatches and the safety and health of its employees and other stakeholders, the Company suspended operations at Plant.

Steel demand was affected as key steel consuming sectors struggled to operate due to weakening economic activity, shortage of manpower and logistical issues. The health and safety of our employees and the communities in which we operate and running our operations safely and efficiently so that we can continue to serve our customers, continues to be the first and foremost priority of the Company. As the outbreak spread in India, the Company initiated measures to safeguard the health, welfare and safety of all its employees including working from home, staggered shift timings.

**NOTE : 45** Against the loans given by two of the lenders amounting to Rs. 7567.15 Lakhs, the commercial court vide its orders dated 23rd October 2021, has ordered the company not to alienate the Land, Plant & Machinery of the company and the matter is now pending before the arbitrator.

**NOTE : 46** The Company has only one operating segment "Iron and Steel" which is generally received by the chief operating decision maker of the company for allocation of resources and review of financial performance. Therefore, no separate disclosures are required to be made, as per Ind AS- 108 "Operating Segements"

**NOTE : 47** The figures regarding Trade receivables, Trade payables, Advances to Suppliers and others, Advances from customers etc. are subject to confirmation.

**NOTE : 48** The previous year Previous GAAP figures have been reclassified/regrouped to make them comparable with Ind AS presentation.

### 23. Voting through electronic means

#### For Remote e-voting and e-voting during AGM

- Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.novaironsteel.com](http://www.novaironsteel.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).

6. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
7. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.
  - (i) The Company is pleased to provide its members facility to exercise their right to vote on resolutions proposed to be considered at the 29<sup>th</sup> Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Central Depository Services (India) Limited (CDSL):

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

- (ii) The voting period begins on 28/12/2021 at 10:00 AM and ends on 30/12/2021 at 05:00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 24/12/2021, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (v) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.
